CLOSEOUT MEMORANDUM

Case Number: I-16-0032-O

Page 1 of 1

We received an allegation concerning a violation of the confidentiality of the merit review process. Specifically, a PI¹ told a Program Officer² that a colleague had disclosed the members of a merit review panel to him. When contacted, the PI did not reveal the colleague's name. Without the name of the colleague, this case cannot be pursued.

This case is **closed** with no further action taken.
