Allegations of Unallowable Service Hours and Mileage Reimbursement (Unsubstantiated)

DATE ISSUED 04.04.2017

Closed 2017-04-04

This investigation was initiated based on Hotline allegations from an individual who requested anonymity, who alleged that some members assigned to the California Tribal AmeriCorps Program had inflated their service hours and/or claimed mileage reimbursement from their place of residence to their service sites.

The investigation found insufficient evidence to prove or disprove the allegations that members inflated their service hours and/or claimed mileage reimbursement from their place of residence to their service sites.

The results of the investigation were provided to the CNCS management for additional review during its monitoring reviews to ensure that the grantee adheres to the grant provisions.
