The Office of Inspector General is committed to improving the quality of non-Federal audits. In accordance with our responsibilities for audit work performed by non-Federal auditors on Federal programs, we have completed our review of the single-audit reporting package and related audit documentation of *The National Wildlife Federation and Affiliate* for the fiscal year ended August 31, 2016. We initiated our review to ensure the audit was conducted in accordance with applicable standards, which include generally accepted Government auditing standards and generally accepted auditing standards, and that it meets the requirements of the Office of Management and Budget's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

In our opinion, based on our review of the reporting package and related audit documentation, the single audit for the fiscal year ended August 31, 2016, is acceptable and contains no quality deficiencies.

We thank you for your assistance and cooperation during our review. If you have any questions about our conclusions, please contact me at 202-208-5724.

Sincerely,

Ms. Morgan Aronson, CPA, CGFM
