CLOSEOUT MEMORANDUM

Case Number: I14090035

Page 1 of 1

We conducted an investigation and found that a Principal Investigator at a college had shifted costs amongst grants and improperly charged over \$500,000 in unrelated and/or unsupported costs on two NSF awards. The College returned over \$500,000 to NSF, and took corrective action by terminating the employment of the PI and College President and implementing better policies and procedures at the college.

This case is **closed** with no further action taken.
