

Announcement of the Audit of DIA's Modernization of the Joint Worldwide Intelligence Communication System

/ Published Nov. 24, 2021

2022-1001 In accordance with the Office of the Inspector General's Fiscal Year 2022 Annual Plan, we will conduct an audit of DIA's Modernization of the Joint Worldwide Intelligence Communications System (JWICS). The objective of the audit is to determine whether processes for the management of the current JWICS wide area network and its modernization plan are designed to maintain network resiliency by meeting present and future security and capability requirements. We will consider management's suggestions for this audit's focus area.
