Evaluation of the AbilityOne Commission's FY 2022-2026 Strategic Plan

The Office of Inspector General (OIG) is initiating an evaluation regarding the Commission's 2022-2026 Strategic Plan.

The objective of our evaluation is to determine whether the U.S. AbilityOne Commission's 2022-2026 Strategic Plan has the necessary framework, including specific operational initiatives/objectives and associated performance measures.

We are conducting this discretionary evaluation based upon an assessment of program risks. The evaluation will be conducted using Quality Standards for Inspection and Evaluation, issued by the Council of the Inspectors General on Integrity and Efficiency.

Please provide us with a point of contact for the engagement by May 20, 2023. The OIG will schedule the entrance conference thereafter.

If you have any questions, please contact me or Laurretta Joseph, Assistant Inspector General for Evaluations, at 571-329-3419 or at ljoseph@oig.abilityone.gov
