## REPORT NOTICE

# **Audit of DIA's Utilization of Funds, Project 2024-1001**

Our objective was to determine whether the Defense Intelligence Agency (DIA) continuously applied strategies to optimize the use of funds and took timely monitoring actions to maximize the funding of mission requirements. This audit focused on DIA's Operations & Maintenance and Family housing single year appropriations for fiscal years 2019-2023. We issued our results in a classified report on June 06, 2025.
