FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Audit of USAID Resources Managed by KNCV Tuberculosis Foundation Nigeria Under Cooperative Agreement 72062020CA00007, October 1, 2023, to September 30, 2024 (Report No. 4-620-25-117-R)

This memorandum transmits the final audit report on USAID resources managed by KNCV Tuberculosis Foundation Nigeria (KNCV TB Nigeria) under Tuberculosis Local Organizations Network Nigeria (TB LON Nigeria) Regions 1 and 2 Project. KNCV TB Nigeria contracted with the independent audit firm Paker Randall, Lagos, Nigeria to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on KNCV TB Nigeria's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate KNCV TB Nigeria's internal controls; (3) determine whether KNCV TB Nigeria complied with award terms and applicable laws and regulations; (4) review the indirect cost rate, or determine that the review of the indirect cost rate was not applicable; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Parker Randall (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by KNCV TB Nigeria as incurred from October 1, 2023, to September 30, 2024; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to KNCV TB Nigeria's ability to report financial data consistent with the assertions embodied in

¹ We reviewed the audit firm's report for conformity with professional reporting standards. each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. KNCV TB Nigeria reported expenditures of \$7,443,909 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The auditors identified no questioned costs, no material weaknesses in internal control, and no instances of material noncompliance. The audit firm issued a management letter.

Accordingly, we are not making any recommendations.
