FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Audit of USAID Resources Managed by Institut Pasteur de Madagascar Under Cooperative Agreement 72068719CA00001, January 1 to December 31, 2024 (Report No. 4-687-25-115-R)

This memorandum transmits the final audit report on USAID resources managed by Institut Pasteur de Madagascar (IPM) under the Research, Innovation, Surveillance and Evaluation program (RISE). IPM contracted with the independent audit firm Aquin, Antananarivo, Madagascar to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on Aquin's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate IPM's internal controls; (3) determine whether IPM complied with award terms and applicable laws and regulations; (4) review the indirect cost rate, or determine that the review of the indirect cost rate was not applicable; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Aquin (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by IPM as incurred from January 1 to December 31, 2024; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to IPM's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the

schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. IPM reported expenditures of \$1,827,294 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses; and no instances of material noncompliance. The auditors also issued a management letter.

Accordingly, we are not making any recommendations.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated June 30, 2025.
