MEMORANDUM

DATE: August 12, 2025

TO: USAID, Deputy Administrator for Management and Resources, Kenneth Jackson
USAID, Acting Chief Financial Officer, Douglas A. Pitkin

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Closeout Audit of USAID Resources Managed by African Parks Network in Multiple Countries Under Multiple Awards, January 1 to September 30, 2024 (Report No. 4-605-25-128-R)

This memorandum transmits the final closeout audit report on USAID resources managed by African Parks Network (APN): (1) the Central Africa Forest Ecosystems Conservation (CAFEC) Garamba-Chinko Protected Area (GCPA), cooperative agreement AID-605-A-16-00002; and (2) USAID Funded Community Based Counter Wildlife Trafficking (CBCWT), cooperative Agreement 72060518CA00004, in Democratic Republic of the Congo and Central African Republic. APN contracted with the independent audit firm KPMG Rwanda Limited, Kigali to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have an external peer review and a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on APN's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate APN's internal controls; (3) determine whether APN complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, KPMG (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

from USAID for the period covered by the audit and the costs reported by APN as incurred from January 1 to September 30, 2024; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to APN's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. APN reported expenditures of \$1,755,177 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the awards for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The audit firm also issued a management letter.

Accordingly, we are not making any recommendations.
