SUBJECT: Financial Audit of USAID Resources Managed by PT Olam Indonesia Under Cooperative Agreement 72049723CA00001, January 1 to December 31, 2024 (Report No. 5-497-26-003-R)

This memorandum transmits the final audit report on USAID resources managed by PT Olam Indonesia, under the Landscape Approach to Sustainable and Climate Change Resilient Cocoa and Coffee Agroforestry project, cooperative agreement 72049723CA00001, for the period from January 1 to December 31, 2024. PT Olam Indonesia contracted with the independent audit firm Tanubrata Sutanto Fahmi Bambang & Rekan to conduct the audit. We do not express an opinion on PT Olam Indonesia's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited was presented fairly, in all material respects; (2) evaluate PT Olam Indonesia's internal controls; and (3) determine whether PT Olam Indonesia complied with award terms and applicable laws and regulations.

To answer the audit objectives, the audit firm conducted a financial audit, covering expenditures of \$1,391,345 for the audited period.

The audit firm concluded that the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm did not identify any material weaknesses in internal control or any
