REPORT SUMMARY

Independent Auditor's Report on the Defense Intelligence Agency Financial Statements for Fiscal Year 2025, Project 2025-1003

We engaged an independent public accounting (IPA) firm to audit the Defense Intelligence Agency's Fiscal Year 2025 financial statements. We evaluated the reliability of data supporting the financial statements, determined the reasonableness of the statements produced, and examined disclosures in accordance with applicable guidance. We issued the results of our evaluation in a final report dated November 14, 2025.
