## 2025-0010-INVI-P — THREATS AND CONCERNING STATEMENTS

### **AOC SUPERVISOR: Suspected Violations of the AOC “Standards of Conduct” Policy. **Substantiated****

On March 13, 2025, the Architect of the Capitol (AOC) Office of Inspector General (OIG) received an allegation that an AOC supervisor had made concerning and potentially threatening comments.

OIG initiated an investigation into a violation of AOC Order 752-2, *Standards of Conduct*, April 25, 2014.

The investigation substantiated that the supervisor made inappropriate comments at the workplace. However, the investigation did not identify evidence of direct verbal or physical threats.

The supervisor acknowledged that their conduct violated AOC’s Standards of Conduct and committed to ceasing all inappropriate conversations with AOC employees.

#### **Final Management Action:**

OIG’s Report of Investigation was submitted to AOC management for action deemed appropriate. On January 22, 2026, the AOC advised the OIG that the supervisor received a letter of reprimand on September 2, 2025. The case is closed.
