This memorandum transmits the final audit report on Millennium Challenge Corporation (MCC) resource managed by Millennium Challenge Account (MCA)-Georgia, Under the Compact Agreement with the Government of Georgia for the period of April 1, 2018 to March 31, 2019. MCA-Georgia contracted with the independent certified public accounting firm Grant Thornton, LLC to conduct the audit. The audit firm states that it performed its audit in accordance with generally accepted government auditing standards and the Guidelines for Financial Audits Contracted by MCC's Accountable Entities. statement for the period audited, was presented fairly, in all material respects; (2) evaluate MCA-Georgia's internal controls related to the MCC funded programs, assess control risk, and identify reportable conditions, including material internal control weaknesses; (3) determine whether MCA-Georgia complied, in all material respects, with agreement terms and applicable laws and regulations; (4) determine if MCA-Georgia has taken adequate corrective action on prior audit report recommendations; and (5) review the cost sharing schedule to determine whether cost-sharing contributions were provided and accounted for in accordance with terms of agreements. To answer the audit objectives, the audit firm conducted an audit of MCA-Georgia's Fund Accountability Statement and review of internal controls for the period from April 1, 2018 to March 31, 2019. Costs incurred for this period were \$37,187,191.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred and reimbursed, and assets and technical assistance directly procured by MCC under the agreement for the period audited. The audit firm did not identify any material weaknesses or material instances of noncompliance that were required to be reported under U.S. Government Auditing Standards.

We appreciate the assistance extended during the engagement.
