**TO:** USAID/Mozambique, Mission Director, Jennifer Adams

**FROM:** USAID OIG Africa Regional Office, Assistant Director, Matthew Rathgeber /s/

**SUBJECT:** Financial Audit of USAID Resources Managed by Centro de Aprendizagem e Capacitação da Sociedade Civil in Mozambique Under Multiple Agreements, October 1, 2017, to September 30, 2018 (Report No. 4-656-20-032-R)

This memorandum transmits the final audit report on USAID Resources Managed by Centro de Aprendizagem e Capacitação da Sociedade Civil (CESC) under the following awards:

<b>Award Name (Type)</b>	<b>Award Number</b>	<b>Period</b>	<b>Prime implementer</b>
Strengthening the participation of Civil Society in Health and Primary Education (cooperative agreement)	AID-656-A-14-00011	October 1, 2017-September 30, 2018	
Civic Partnership for Good Governance(PCBG) (subagreement )		October 1, 2017-September 30, 2018	Counterpart international Inc.(CESC-001)

CESC contracted with the independent certified public accounting firm Deloitte & Touché, Maputo, Mozambique, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review that fully satisfied the requirements set forth in GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on CESC's fund accountability statement; the effectiveness of its internal control; or its

compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited was presented fairly, in all material respects; (2) evaluate the CESC's internal controls; (3) determine whether CESC complied with award terms and applicable laws and regulations (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Deloitte & Touché (1) audited the fund accountability statement for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by CESC as incurred from October 1, 2017, to September 30, 2018; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to CESC's ability to report financial data consistent with the assertions embodied in each account of the fund accountability statement; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the fund accountability statement; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. CESC reported expenditures of \$1,219,186 in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm did not identify questioned costs; n material weaknesses in internal control; or instances of material noncompliance. The audit firm issued a management letter.

“During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to controller, dated January 23, 2020.”

We appreciate the assistance extended during the engagement.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4)(“commercial or financial information obtained from a person that is privileged or confidential”).
