

MEMORANDUM

DATE: April 21, 2020

TO: USAID/Southern Africa, Mission Director, John Groarke

FROM: USAID OIG Africa Regional Office, Assistant Director, Matthew Rathgeber /s/

SUBJECT: Financial Audit of USAID Resources Managed by Children in Distress Network in South Africa Under Multiple Agreements, April 1, 2018, to March 31, 2019 (Report No. 4-674-20-059-R)

This memorandum transmits the final audit report on USAID resources managed by Children in Distress Network (CINDI) under agreements: 1) AID-674-A-13-00011 (closeout); and 2) 72067418CA00030. CINDI contracted with the independent certified public accounting firm PricewaterhouseCoopers Inc. (PwC), Johannesburg, South Africa, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have continuing professional education and an external peer review that fully satisfied the requirements of GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on CINDI's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate CINDI's internal controls; (3) determine whether CINDI complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, PwC (1) audited the fund accountability statement for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by CINDI as incurred from April 1, 2018, to March 31, 2019; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to CINDI's ability to report financial data consistent with the assertions embodied in each account of the fund accountability

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

statement; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the fund accountability statement; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. CINDI reported expenditures of \$1,497,932 in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The auditors identified \$55,351 in total questioned costs (\$36,481 ineligible and \$18,870 unsupported); two material weaknesses in internal control; and two instances of material noncompliance.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to controller, dated April 21, 2020.

To address the issues identified in the report, we recommend that USAID/Southern Africa:

Recommendation 1. Determine the allowability of \$55,351 in questioned costs (\$36,481 ineligible, \$18,870 unsupported) on pages 13 and 15 of the audit report and recover any amount that is unallowable.

Recommendation 2. Verify that Children in Distress Network corrects the two material weaknesses in internal control detailed on pages 24 to 28 of the audit report.

Recommendation 3. Verify that Children in Distress Network corrects the two instances of material noncompliance detailed on pages 31 to 35 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision. We appreciate the assistance extended during the engagement.
