The audit firm stated that based on their review, nothing came to their attention that caused them to believe that CODHES did not fairly present the Cost Sharing Contributions Schedule, in all material respects, in accordance with the basis of accounting used to prepare the Cost Sharing Contributions Schedule. Additionally, the audit firm stated that the recipient has not taken adequate corrective action to address all of the prior audit report recommendations..

Based on the results of the desk review, OIG is not making any recommendation to USAID/Colombia.

We appreciate the assistance extended during the engagement.
