

MEMORANDUM

DATE: November 14, 2019

TO: USAID/Honduras, Mission Director, Fernando Cossich

FROM: USAID OIG Latin America and Caribbean (LAC) Regional Office, through Global and Strategic Audits Division (GSAD) Assistant Director, Pamela Hamilton /s/

SUBJECT: Financial Audit of the Alianza Para El Corredor Seco Activity in Honduras, Managed by the Millennium Challenge Account, Assistance Agreements 522-0470 and 522-0502, January 1 to December 31, 2018 (9-522-20-006-R)

This memorandum transmits the final audit report on the Alianza Para El Corredor Seco activity managed by the Millennium Challenge Account in Honduras (MCA-H). Tribunal Superior de Cuentas (TSC) signed an agreement with the U.S. Agency for International Development (USAID) and the Secretariat of Finance with the purpose of performing audits of programs funded with USAID resources in Honduras. TSC stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have a continuing education program that fully complies with GAGAS requirements and an external peer review because such program is not offered in Honduras. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on Millennium Challenge Account (MCA-H)'s fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate MCA-H's internal controls; (3) determine whether MCA-H complied with award terms and applicable laws and regulations; (4) determine if counterpart contributions were made and accounted for by MCA-H in accordance with the terms of the agreements; and (5) determine if MCA-H has taken adequate corrective action on prior audit recommendations. To answer the audit objectives, the audit firm reported that they assessed and tested the internal controls

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

related to the project; compliance with applicable laws, regulations, the agreement's provisions; and reviewed project expenditures. The audit covered \$13,192,392 of USAID funds for the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited.

The audit firm did not identify any material weaknesses in internal control or instances of material noncompliance with applicable laws, regulations, and agreement terms.

The audit firm stated that based on their review, nothing came to their attention that caused them to believe that MCA did not fairly present the Cost Sharing Contributions Schedule, in all material respects, in accordance with the basis of accounting used to prepare the Cost Sharing Contributions Schedule.

Based on the results of the desk review, OIG is not making any recommendation to USAID/Honduras.

We appreciate the assistance extended during the engagement.
