OIG contracted with Kearney & Company, P.C. to perform this audit.

AUDIT OBJECTIVE: The objectives of this performance audit were to evaluate the effectiveness of FHFA-OIG's information security program and practices and respond to the Department of Homeland Security's FY 2016 Inspector General Federal Information Security Modernization Act of 2014 Reporting Metrics, dated September 26, 2016.

Because information in this report could be abused to circumvent FHFA-OIG's internal controls, it has not been released publicly.
