EXIM OIG

STRATEGIC PLAN

FISCAL YEARS 2023–2027

A Message from the Inspector General

The Export-Import Bank of the United States (EXIM) is the official export credit agency of the United States. EXIM was created to support American jobs by facilitating the export of U.S. goods and services.

EXIM’s Office of Inspector General (OIG) provides independent oversight of the agency’s programs and operations. Through our audits, evaluations, inspections, investigations, and reviews, we make impactful recommendations for improvements and efficiencies at EXIM. OIG engagements also help ensure the integrity of EXIM programs and operations by detecting, deterring, and prosecuting fraud.

This *Strategic Plan* reflects OIG’s priorities for fiscal years 2023 to 2027. Specifically, the updated mission, vision, values, goals, and objectives contained in this plan reflect OIG’s commitment to conducting rigorous oversight of EXIM’s evolving mission; strengthening OIG’s independence; advancing diversity, equity, inclusion, and accessibility; and expanding outreach to key stakeholders.

I would like to thank OIG’s Strategic Plan Working Group volunteers for their hard work in crafting this plan. I would also like to thank all of our OIG personnel for their dedication to OIG’s mission and the work they do every day on behalf of American taxpayers. I look forward to the implementation of this plan and the future of our office.
