CLOSEOUT MEMORANDUM

Case Number: I-17-0067-O

Page 1 of 1

Our office has a Memorandum of Understanding (MOU) with another agency under which that agency may request reimbursable investigative services. This investigation was initiated pursuant to a request by that agency under the MOU after an employee made an allegation. Before the investigation was completed, the employee withdrew complaint and the agency informed our office that the requested services were no longer required.

Accordingly, this investigation is **closed**.
