

Summary: Alleged Misuse of Position by a Bureau of Land Management State Director

Report Date: September 17, 2020

Report No. 19-0240

The OIG investigated allegations that a Bureau of Land Management (BLM) State Director used their Government position for the financial gain of two personal friends.

We found no evidence that the State Director misused their Government position or violated any ethics regulations.

This is a summary of an investigative report we issued to the BLM Deputy Director, Policy and Programs.
