

Peace Corps Office of
INSPECTOR GENERAL

Strategic Plan

Fiscal Years 2022 - 2024

Since 1989, the Peace Corps Office of Inspector General (OIG) has provided independent oversight of the programs and operations of the Peace Corps. OIG works to promote efficiency and effectiveness to help the Peace Corps achieve its mission: to promote world peace and friendship through community-based development and cross-cultural understanding.

The Inspector General Act of 1978 charges OIG with the responsibility to keep Congress and the Director of the Peace Corps fully and currently informed of problems and deficiencies related to the administration of Peace Corps programs and operations.

OIG's oversight seeks to:

- Prevent and detect waste, fraud, abuse, and mismanagement
- Promote integrity, efficiency, and economy
- Identify risk and vulnerabilities and offer expert assistance to improve the programs and operations of the Peace Corps

The Fiscal Years 2022 - 2024 Strategic Plan outlines how OIG will enhance oversight in support of the Peace Corps goals.

In accomplishing its mission, OIG is committed to:

Excellence: issuing accurate, timely, and reliable work products.

Positive change: making value-added recommendations to address issues and challenges with agency programs and operations.

Integrity: maintaining independence from the agency, meeting professional and ethical standards, and committing to continual improvement.

Collaboration: working together and promoting best practices within the office, with the agency, and with external stakeholders.
