To answer the examination's objective, Booth Management Consulting, LLC. designed its testing procedures to evaluate the internal control environment surrounding PIL's subcontract management process and to determine whether PIL had adequate controls in place for monitoring subcontract costs. Its examination included the reconciliation of the adjusted total costs booked to date and the cumulative amount billed, by award or subaward and reporting any over/under-billings. The audit firm audited \$104,477,973 in USAID incurred costs for the FY ended June 30, 2018.

The audit firm expressed an unqualified opinion that costs claimed by PIL on in-scope contracts and subcontracts for the FY ended June 30, 2018, are allowable, allocable, and reasonable in accordance with award terms; Part 31 of the FAR; AIDAR; DSSR; and 2 CFR 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, as applicable. The audit firm did not note any instances of material non-compliance with laws, regulations, or contract terms required to be reported under Government Auditing Standards during the FY 2018. The audit firm did not question any USAID costs.
