EY expressed an unmodified opinion on the financial statements and stated that the financial statements presented fairly, in all material respects, CARE USA's consolidated financial position as of June 30, 2019. Further, EY reported that it did not find any material weaknesses, significant deficiencies, or noncompliance material to internal control over financial reporting. In addition, no material weaknesses or significant deficiencies were identified in internal control over major Federal programs. Finally, EY did not identify any findings required to be reported in accordance with 2 CFR 200.516(a).
