**FROM:** Director of External Financial Audits Division (IG/A/EFA), David A. McNeil /s/

**SUBJECT:** Financial Closeout Audit of MCC Resources Managed by MCA-Honduras Under the Threshold Program Grant Agreement, January 1, 2019, to September 28, 2019 (3-MCC-21-009-N)

This memorandum transmits the final audit report on Millennium Challenge Corporation (MCC) Resources Managed by Millennium Challenge Account-Honduras (MCA-Honduras) for the period from January 1, 2019, to September 28, 2019. MCA-Honduras contracted with the independent certified public accounting firm Coca Luque y Asociados to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards and Guidelines for Financial Audits Contracted by the Millennium Challenge Corporation's Accountable Entities. The audit firm also reported that it did not have an external peer review because no such program is offered by professional organizations in Honduras. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on MCA-Honduras' fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate the MCA-Honduras' internal controls; and (3) determine whether MCA-Honduras complied with award terms and applicable laws and regulations. To answer the audit objectives, the audit firm

conducted an audit of MCC resources managed by MCA-Honduras for the period from January 1, 2019, to September 28, 2019. Costs incurred for this period were \$1,532,341.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues, costs incurred and reimbursed, and assets and technical assistance directly procured by MCC under the award for the period audited. The audit firm did not identify any material weaknesses or significant deficiencies in internal control. The audit firm found no instances of material noncompliance that are required to be reported under generally accepted government auditing standards. There were no questioned costs.

During our desk review, we noted minor issues which the audit firm will need to address in future audit reports. We presented these issues in a letter to Lori Giblin, dated May 6, 2021.
