MEMORANDUM

DATE: November 16, 2022

TO: USAID/Malawi, Acting Mission Director, Natasha de Marcken

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by Centre for the Development of People in Malawi Under Cooperative Agreement 72061220CA00006, January 1 to December 31, 2021 (Report No. 4-612-23-025-R)

This memorandum transmits the final audit report on USAID resources managed by Centre for the Development of People (CEDEP) under the Peer Solutions for Epidemic Control (Protect) Project. CEDEP contracted with the independent audit firm AMG Global, Lilongwe, Malawi to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review and a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on CEDEP's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate CEDEP's internal controls; (3) determine whether CEDEP complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, AGM Global (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by CEDEP as incurred from January 1 to December 31, 2021; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to CEDEP's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material

¹ We reviewed the audit firm's report for conformity with professional reporting standards. effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable ; and (5) determined that the review the implementation status of the prior period recommendations was not applicable. CEDEP reported expenditures of \$1,206,094 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no material weaknesses in internal control and no instances of material noncompliance. The audit firm issued a management letter.

Accordingly, no recommendations will be made.

During our desk review, we noted one area for improvement which the audit firm should address in future audit reports. We presented this area in a memo to the controller dated November 16, 2022.
