

OFFICE OF INSPECTOR GENERAL U.S. Agency for International Development

MEMORANDUM

DATE: June 28, 2022

TO: USAID/Zimbabwe, Acting Mission Director, Priscilla Sampil

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by Union Zimbabwe Trust Under Cooperative Agreement 72061319CA00003, October 1, 2020, to September 30, 2021 (Report No. 4-613-22-067-R)

This memorandum transmits the final audit report on USAID resources managed by Union Zimbabwe Trust (UZT), under the Kunda Nqob'i TB Project. UZT contracted with the independent certified public accounting firm BDO, Harare, Zimbabwe, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have continuing professional education and an external peer review that fully satisfied the requirements of GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on UZT's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate UZT's internal controls; (3) determine whether UZT complied with award terms and applicable laws and regulations; and (4) review the implementation status of the prior period recommendations.

To answer the audit objectives, UZT (1) audited the schedule of expenditures of USAID awards for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by UZT as incurred from October 1, 2020, to September 30, 2021; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to UZT's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

effect on the schedule of expenditures of USAID awards; and (4) reviewed the implementation status of the prior period recommendations. UZT reported expenditures of \$3,046,317 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified \$54,816 in ineligible questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. In addition, although we are not making a recommendation for significant deficiencies and immaterial instances of noncompliance noted in the report and detailed in the management letter, we suggest that USAID/Zimbabwe determine if the recipient addressed the issues noted.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated June 28, 2022.

To address the issues identified in the report, we recommend that USAID/Zimbabwe:

Recommendation 1. Determine the allowability of \$54,816 ineligible questioned costs on pages 16, 17, 23, and 25 of the audit report and recover any amount that is unallowable.

We ask that you provide your written notification of actions planned or taken to reach management decision.
