MEMORANDUM

DATE: September 12, 2022

TO: USAID/Zimbabwe, Acting Mission Director, Ramses Gauthier

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by Family Aids Caring Trust in Zimbabwe Under Multiple Awards, January 1 to December 31, 2021 (Report No. 4-613-22-093-R)

This memorandum transmits the final audit report on USAID resources managed by Family Aids Caring Trust (FACT) under the following awards:

Award Name (Type)	Award Number	Audit Period	Prime Implementer
Children Tariro Project (cooperative agreement)	AID-613-A-15-00005	Jan. 1 – Dec. 31, 2021	
Going The Last Mile for HIV Control (subaward)	72061318CA00009	Jan. 1 – Dec. 31, 2021	Population Services International
Mhuri/Imuli Project (subaward)	72061318CA00008	Apr. 1 - Dec. 31, 2021	Family Health International (FHI-360)

FACT contracted with the independent audit firm Ralph Boment, Greenacre and Reynolds, Bulawayo, Zimbabwe to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on FACT's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate FACT's internal controls; (3) determine whether FACT complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

To answer the audit objectives, Ralph Bomment, Greenacre and Reynolds (1) audited the fund accountability statement including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by FACT as incurred from January 1 to December 31, 2021; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to FACT's ability to report financial data consistent with the assertions embodied in each account of the fund accountability statement; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the fund accountability statement; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. FACT reported expenditures of \$11,015,089 in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited except for \$150,125 in ineligible questioned costs. The audit identified one material weakness in internal control and one instance of material noncompliance. Since a recommendation for this instance of noncompliance was raised in prior periods, we will not make a recommendation on this again.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated September 12, 2022.

To address the issues identified in the report, we recommend that USAID/Zimbabwe:

Recommendation 1. Determine the allowability of \$150,125 in ineligible questioned costs on pages 10, 13, and 26 of the audit report and recover any amount that is unallowable.

Recommendation 2. Verify that Family Aids Caring Trust corrects the one material weakness in internal control detailed on page 27 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision.
