DATE: November 21, 2023

TO: USAID/West Africa, Regional Mission Director, Jo Lesser-Oltheten

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by Global Shea Alliance in Multiple Countries Under Cooperative Agreement AID-624-A-16-00010, January 1 to December 31, 2022 (Report No. 4-624-24-033-R)

This memorandum transmits the final audit report on USAID resources managed by Global Shea Alliance under the Sustainable Shea Initiative Project. Global Shea Alliance contracted with the independent audit firm PricewaterhouseCoopers (PwC), Accra, Ghana to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on Global Shea Alliance's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate Global Shea Alliance's internal controls; (3) determine whether Global Shea Alliance complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, PwC (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by Global Shea Alliance as incurred from January 1 to December 31, 2022; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to Global Shea Alliance's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined

that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. The recipient reported expenditures of \$829,401 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and three instances of material noncompliance.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated November 21, 2023.

To address the issues identified in the report, we recommend that USAID/West Africa:

Recommendation I. Verify that Global Shea Alliance corrects the three instances of material noncompliance detailed on pages 18 to 20 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision.
