SUBJECT: Financial Audit of USAID Resources Managed by N'weti Comunicação para Saúde in Mozambique Under Multiple Awards, January 1 to December 31, 2020 (Report No. 4-656-22-022-R)

This memorandum transmits the final audit report on USAID resources managed by N'weti Comunicação para Saúde (N'weti) in Mozambique under the following USAID awards:

Award Name (Type)	Award Number	Audit Period	Prime Implementer
Integrated Family Planning and Reproductive Health (IFPP) (subagreement)	AID-656-A-16-00005-01	Jan. 1 – Dec. 31, 2020	Pathfinder International
Community Based HIV Services for Southern Region (cooperative agreement)	AID-656-A-17-00003	Jan. 1 – Dec. 31, 2020

N'weti contracted with the independent certified public accounting firm Ernst & Young Limitada (EY), Maputo, Mozambique, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have continuing professional education and an external peer review that fully satisfied the requirements of GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on N'weti's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures

¹ We reviewed the audit firm's report for conformity with professional reporting standards. for the period audited, was presented fairly, in all material respects; (2) evaluate the N'weti's internal controls; (3) determine whether N'weti complied with award terms and applicable laws and regulations; (4) reviewed the indirect cost rate; and (5) reviewed the implementation status of the prior period recommendations.

To answer the audit objectives, EY (1) audited the schedule of expenditures for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by N'weti as incurred from January 1 to December 31, 2020; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to N'weti's ability to report financial data consistent with the assertions embodied in each account of the fund accountability statement; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the fund accountability statement; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. N'weti reported expenditures of \$6,348,967 in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance.

Accordingly, we are not making any recommendations.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated December 1, 2021.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential").
