MEMORANDUM

DATE: November 2, 2023

TO: USAID/Democratic Republic of the Congo, Mission Director, John Dunlop

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by Humana People to People Congo Under Cooperative Agreement 72066021CA00003, March 29, 2021, to December 31, 2022 (Report No. 4-660-24-019-R)

This memorandum transmits the final audit report on USAID resources managed by Humana People to People Congo (HPP-Congo), under the REDUCE TB Project. HPP-Congo contracted with the independent audit firm COFIMA, Cotonou, Benin to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on HPP-Congo's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate HPP-Congo's internal controls; (3) determine whether HPP-Congo complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, COFIMA (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by HPP-Congo as incurred from March 29, 2021, to December 31, 2022; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to HPP-Congo's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the

review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. HPP-Congo reported expenditures of \$2,426,536 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited except for \$5,948 in ineligible questioned costs. The audit firm identified no material weaknesses in internal control and three instances of material noncompliance. Since the questioned costs did not meet the OIG's established threshold of \$25,000 for making a recommendation, we are not making a recommendation for the questioned costs and the specifically related noncompliance instance. Nevertheless, we suggest that USAID/Democratic Republic the Congo determine the allowability of the \$5,948 in questioned costs and recover any amount determined to be unallowable. In addition, although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Democratic Republic of the Congo determine if the recipient addressed the issues noted. The audit firm also issued a management letter.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated November 2, 2023.

To address the issues identified in the report, we recommend that USAID/Democratic Republic of the Congo:

Recommendation 1. Verify that Humana People to People Congo corrects the two instances of material noncompliance detailed on pages 40 and 41 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision.
