TO: USAID/Serbia, Mission Director, Brooke Isham

FROM: USAID/OIG Middle East and Eastern Europe (ME/EE) Regional Office, Assistant Audit Director, David Clark /s/

SUBJECT: Audit of the Schedule of Expenditures of ICT Hub d.o.o, Serbia Innovates Project, Cooperative Agreement 72016921CA00001, January 27, 2021, to December 31, 2021 (8-169-23-023-R)

This memorandum transmits the final audit report of the schedule of expenditures of ICT Hub d.o.o, Serbia Innovates Project, Cooperative Agreement 72016921CA00001, from January 27, 2021, to December 31, 2021. ICT Hub d.o.o contracted with the independent audit firm KPMG d.o.o to conduct the audit. The audit firm stated that it performed the audit in accordance with U.S. Government Auditing Standards. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the auditee's schedule of expenditures; the effectiveness of its internal controls; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures for the period audited was presented fairly, in all material respects; (2) evaluate the auditee's internal controls; and (3) determine whether the auditee complied with the award terms and applicable laws and regulations. To answer the audit objectives, the audit firm performed the subject financial audit that covered \$1,102,496, from January 27, 2021, to December 31, 2021.

The audit firm concluded that the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs, no material weaknesses in internal control, and no instances of material noncompliance. The audit firm issued a management letter.

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

During our desk review, we noted several areas of improvement which the audit firm will need to address in future audit reports. We presented these areas of improvement in a memorandum to the controller dated June 23, 2023.

The report does not include any recommendations for your action.
