

OFFICE OF INSPECTOR GENERAL U.S. Agency for International Development

MEMORANDUM

DATE: February 28, 2024

TO: USAID/Nicaragua, Mission Director, Michael J. Eddy

FROM: Latin America and Caribbean (LAC) Regional Office, through Global and Strategic Audits Division (GSAD) Assistant Director, Pamela Hamilton /s/

SUBJECT: Financial Audit of the Sustainable HIV Knowledge Management Project in Nicaragua, Managed by Centro Para la Educación y Prevención del SIDA, Cooperative Agreement 72052419CA00001, January 1 to December 31, 2022 (9-524-24-008-R)

This memorandum transmits the final audit report on Sustainable HIV Knowledge Management Project in Nicaragua. Centro para la Educación y Prevención del SIDA (CEPRESI) contracted with the independent audit firm Corpeño y Asociados to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on CEPRESI's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate CEPRESI's internal controls; and (3) determine whether CEPRESI complied with award terms and applicable laws and regulations. To answer the audit objectives, the audit firm reported that they assessed and tested the internal controls related to the project; assessed and tested compliance with applicable laws, regulations, the agreement's provisions; and reviewed project expenditures. The audit covered \$1,914,953 of USAID expenditures for the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

audited.

The audit firm did not identify any material weaknesses in internal control or instances of material noncompliance with applicable laws, regulations, and agreement terms. The audit firm issued a management letter which included minor internal control deficiencies and immaterial instances of noncompliance.

Based on the results of the desk review, OIG is not making any recommendation to USAID/Nicaragua.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.²
